NAAC SSR Cycle-III

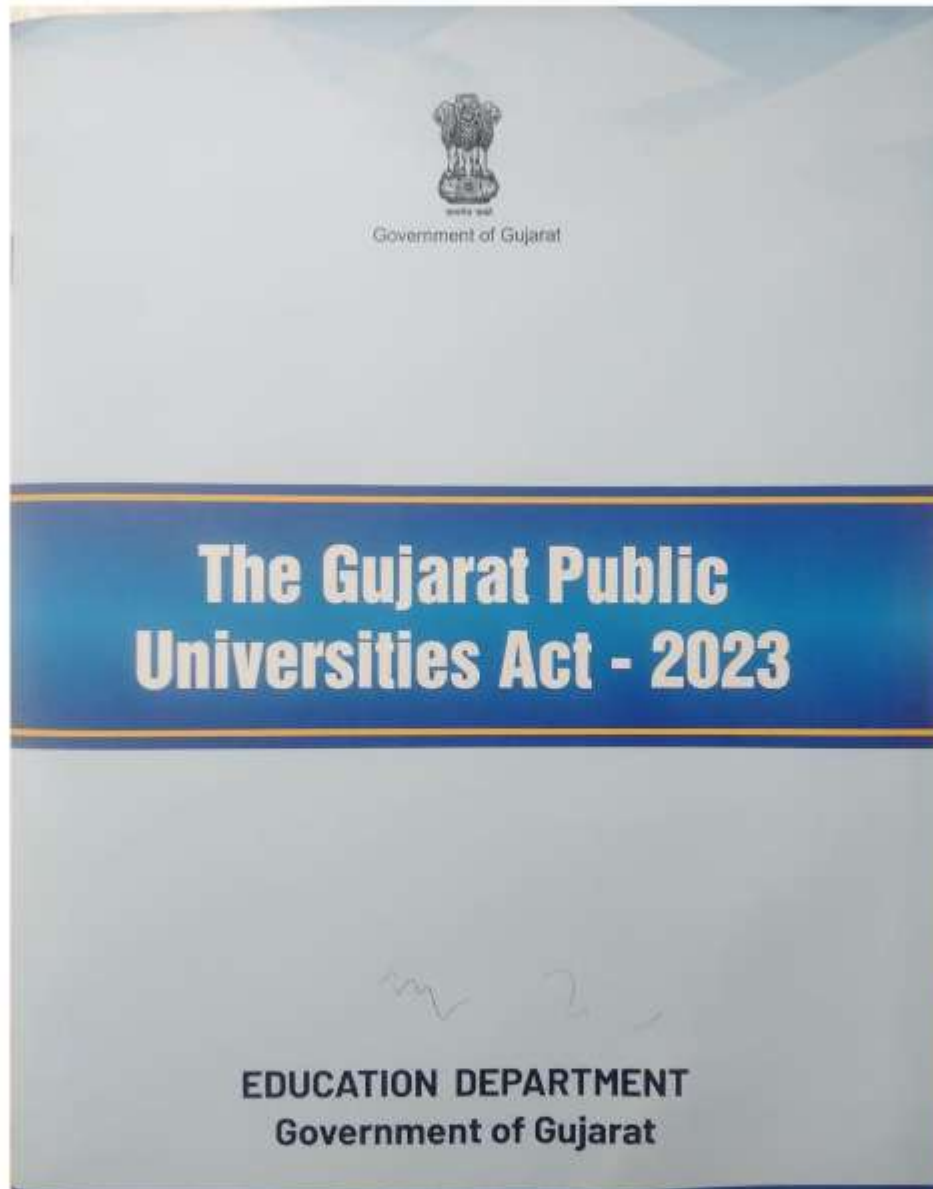

Criterion 6 – Governance, Leadership and Management

6.1: Institutional Vision and Leadership

6.1.1 The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation

Government of Gujarat has implemented a Common Public University Act. Being an affiliated college to Veer Narmad South Gujarat University, we naturally become the part of this Common Public University Act.

Implementation of National Education Policy

Our affiliating university, Veer Narmad South Gujarat University (VNSGU), Surat, is one of the first universities in the state to fully implement the National Education Policy 2020. As part of this esteemed university, our college adheres to all the guidelines and recommendations of the NEP 2020. For more information on the implementation of the National Education Policy at VNSGU, Surat, please [click here](#).

We have attached the NEP implementation documents as mentioned below:

1. Credit Structure for Bachelor of Arts as Per NEP 2020 at VNSGU
2. Credit Structure for Bachelor of Commerce as Per NEP 2020 at VNSGU

📝 Assessment and
Evaluation Reforms

Emphasis on Practical Learning

- **Experiential Learning:**
 - **Real-World Projects:** Curriculum includes projects requiring engagement with real-world challenges, enhancing problem-solving and critical thinking skills.
 - **Field Work and Internships:** Provides industry exposure and bridges the gap between classroom learning and professional environments.
- **Workshops:**
 - **Practical Sessions:** Equipped laboratories and workshops for hands-on activities in disciplines requiring such learning.
 - **Skill Development Workshops:** Regular workshops on computer programming, data analysis, and digital marketing.
- **Collaborations:**
 - **Industry Partnerships:** Collaborations with government bodies and NGOs offer practical learning through internships, guest lectures, and industry visits.
 - **Live Projects:** Students work on live projects with industry partners, gaining real-time experience and professional networking opportunities.
- **Community Engagement:**
 - **Service Learning:** Programs encourage community engagement through projects addressing local issues, fostering social responsibility.
 - **Extension Activities:** Participation in environmental conservation, health awareness campaigns, and cultural preservation initiatives.
- **Practical Assessments:**
 - **Skill-Based Evaluations:** Assessments focus on practical skills through exams, project presentations, and portfolio reviews.
 - **Continuous Evaluation:** Includes quizzes, practical assignments, and group projects.

Benefits of Practical Learning

- **Enhanced Employability:** Graduates possess skills and experience attractive to employers.
- **Real-World Preparedness:** Students are prepared to tackle professional challenges.
- **Holistic Development:** Practical activities, industry projects, and community service develop teamwork, communication, leadership, and ethical decision-making skills.

Additional NEP Features

- **Academic Bank of Credit (ABC):**
 - **Credit Accumulation:** A digital repository for academic credits, offering flexibility in credit transfer across institutions.
 - **Credit Mobility:** Promotes seamless credit transfer, supporting lifelong learning and diverse educational opportunities.
- **Multiple Entry and Exit Options:**
 - **Flexibility in Course Completion:** Students can enter and exit programs at different stages, receiving qualifications based on earned credits.
- **Focus on Skill Development:**
 - **Skill-Based Courses:** Curriculum includes vocational and skill-based courses aligned with industry needs.
 - **Entrepreneurship and Innovation:** Specialized courses and incubation centers encourage entrepreneurship.
- **Holistic and Multidisciplinary Education:**

- **Broad-Based Learning:** Encourages exploration of various fields, promoting comprehensive understanding.
- **Value-Based Education:** Focuses on ethics, human values, and social responsibility.

Benefits of NEP Features

- **Enhanced Flexibility:** ABC and multiple entry-exit options provide greater control over education.
- **Inclusivity:** Makes higher education more accessible.
- **Future-Ready Graduates:** Emphasis on skill development and holistic education prepares students for a changing world.

NEP Initiatives as per VNSGU Credit System

- **Major-Minor Course System:**
 - **Major Courses:** In-depth study of a chosen discipline.
 - **Minor Courses:** Interdisciplinary learning by selecting courses from different disciplines.
- **Multi-Disciplinary Courses (MDC):**
 - **Broad-Based Education:** Encourages exploration of subjects outside major/minor areas.
 - **Enhances Skills:** Develops critical thinking, creativity, and problem-solving skills.
- **Indian Knowledge Systems (IKS) Courses:**
 - **Cultural Heritage:** Covers philosophy, traditional sciences, literature, etc.
 - **Modern Application:** Provides insights applicable in modern contexts.
- **Summer Internship in the Last Semester:**
 - **Hands-On Experience:** Bridges the gap between academic learning and practical experience.
 - **Industry Insight:** Prepares students for real-world challenges.

Benefits of NEP Initiatives

- **Flexibility in Education:** Tailored education according to interests and career aspirations.
- **Interdisciplinary Learning:** Fosters a well-rounded perspective.
- **Cultural Awareness:** Connects students to cultural roots.
- **Practical Experience:** Enhances employability.

The NEP initiatives, implemented under the guidance of VNSGU and the Gujarat government, aim to make education more flexible, inclusive, and future-oriented. By focusing on practical learning, industry collaboration, community engagement, and skill-based assessments, the institution prepares students for successful careers and societal contributions.

Key Features	Description	Benefits
Academic Bank of Credit (ABC)	Digital repository for accumulating and transferring academic credits.	Enhanced flexibility and lifelong learning opportunities.
Multiple Entry and Exit	Flexibility in course completion with multiple stages for entering and exiting programs.	Increased accessibility and tailored educational pathways.
Skill-Based Courses	Curriculum includes vocational and industry-aligned courses.	Graduates are well-equipped for the job market.
Major-Minor System	Allows students to choose a major discipline and a minor from different fields.	Interdisciplinary learning and expertise in chosen fields.
Multi-Disciplinary Courses	Encourages exploration of subjects outside major/minor areas.	Develops critical thinking, creativity, and problem-solving skills.
Indian Knowledge Systems	Courses covering Indian philosophy, traditional sciences, literature, and more.	Instills pride in cultural heritage and provides modern application insights.
Summer Internship	Mandatory internship during the last semester to gain practical experience.	Enhances employability and prepares students for real-world challenges.
Service Learning	Engagement with community projects addressing local issues.	Fosters social responsibility and practical understanding of societal impact.
Extension Activities	Participation in environmental conservation, health awareness, and cultural preservation initiatives.	Practical experience in diverse communities and addressing societal challenges.
